

The Northern Hotel

72-82 Sea Road Bexhill-on-Sea East Sussex TN40 1JN

Hotel Closure Notice

We are very sorry to impart this difficult and sad news to you, but after 68 years we must advise our customers that the business of The Northern Hotel will close its doors on 13th June 2025.

We continue to be open in April & May. While some facilities may be limited, we wish to continue to serve you, if possible. Please contact us for further information.

I'm sure you will be aware how challenging it has become for many businesses to operate in this current financial climate, especially for Hotels & the Catering Industry.

Over the years, we have managed to keep the hotel afloat through sheer commitment, long hours and hard work. However, the family are now all of Retirement Age and as such we felt it was time to "Close the Door" on what has been a lifelong commitment for us – providing, we hope, a worthwhile service to our Hotel, Retirement & Restaurant Customers over a period of 68 years and 3 family generations.

This has not been an easy decision and we realise this must be a disappointment for you. We know that for many of our Hotel & Restaurant Visitors, Retirement Guests & Staff, we have "always been there" and this will be a very significant change for us all.

We understand the impact this may have on your plans but unfortunately, given the nature of our business and the complexities of selling, it was not possible to advise you sooner.

We express gratitude to you for "finding us" and giving us your custom over the years. We do hope you have enjoyed visiting us and enjoyed our "home from home" environment and the many services we have provided over the years.

We will miss your all.

Yours sincerely

The Sims Family: Sue, Nick & Chris Sims
Proprietors
